Dock Diving is an exciting sport in which dogs compete in jumping for distance, height or speed retrieval from a dock into a body of water. Dock Diving has exploded in popularity over the years, inspiring many dog owners to invest in training and take up the sport.

Established in 2018, Canine Superheroes is the premier Dock Diving facility in Northeast Ohio. We offer many amenities at our facility including, but not limited to a competition 40' dock and pool with Speed Retrieve and EV Rig, a salt waterpool system, gated area for crating during events or practices, lighting for night jumping, facilitators certified in BLS, Canine First Aid and CPR, pavilion area, concession stand and more! Canine Superheroes is also a 501c3 organization and host multiple competitions and special events throughout the season.
